The government and the culture of the United States are being infiltrated and undermined by "a warring religion," and the Muslim Brotherhood is behind the drive, conservative political activist **Cathie Adams** warned those attending Tuesday's meeting of the **Texas Patriot Tea Party**. Adams, a **former state chair of the Republican Party of Texas**, is president of Texas Eagle Forum, the Lone Star arm of Phyllis Schlafly's Eagle Forum. . . **"If it's a Muslim telling you something, you really don't know if it's the truth or a lie,"** she said.
