

THIS IS GOING TO BE A SHORT STATEMENT IN REFERENCE TO CASE #90 01 31 0233. THE STATEMENT IS TAKING PLACE ON THE 25TH OF AUGUST 1994 AT APPROXIMATELY 1512 HOURS.

KW For the tape, Lisa, tell me your full name.

A Lisa Bess Spray.

KW And your date of birth?

A [REDACTED]

KW I'm going to show you some photographs and before I do that I'm going to read to you this sentence: You will be asked to look at a group of photographs. The fact that the photographs are shown to you should not influence your judgement. You should not conclude or guess that the photographs contain the picture of the person who committed this crime. And ... and the pictures I'm going to show you I have no clue if they're going to be of the person we ... we think might be Walter. You are not obligated to identify anyone. It is just as important to free innocent persons from suspicion as to identify guilty parties. Please do not discuss the case with other witnesses nor indicate in any way that you identified someone. This doesn't really fit into this folder so I'll just show it to you loose. And I ... I apologize, I realize they're black and white photos. So.

A (No audible response)

KW Is that a no?

A I don't ... I don't remember Walter terribly well.

KW Okay.

A But none of these people jumps out at me and says this is the man that I remember as Walter.

KW Is there anything about any of the six that look ...

A Umm

KW ... familiar?

A One (1) and five (5) look more familiar than the others in terms of ... as I'm trying to remember this gentleman. But I ... certainly would not identify either of those as being the person that I remember as being Walter. (Inaudible)

KW That's fine. You don't have to pick anybody out.

A Yeah, I know. That's fine. But I'm realizing now it's been a lot of years and I ...

KW It has.

A ... and I just don't remember.

KW It's been a long time.

A I don't remember.

KW It's okay. For the tape, tell me your name again.

A Lisa Spray.

KW And that's going to conclude the interview. It's now 1515 hours.
